

# RMT Quote COMBO Update

RE: RMT Quote Combo and State Rate Update  
Moved to Production: August 16, 2010

RMT Quote has been updated with the COMBO changes for the 2011 Reinsurance Year.

The user must **Replicate** for the installation of the updates and rates. This must be complete before using RMT Quote.

*Note: The state rates are larger because of the COMBO rates.*
