## LIVESTOCK RISK PROTECTION (LRP) FED CATTLE

### ABOUT LRP FOR FED CATTLE

Livestock Risk Protection (LRP)-Fed Cattle is designed to insure against declining market prices. Beef producers may select from a variety of coverage levels and insurance periods that correspond with the time their market-weight cattle would normally be sold.

LRP-Fed Cattle may be purchased throughout the year from your ProAg® livestock insurance agent.

### COVERAGE

Beef producers submit a one-time application for LRP-Fed Cattle coverage. After the application is accepted, specific coverage endorsements may be purchased for up to 2,000 head of heifers and steers (weighing between 1,000 and 1,400 pounds) that will be marketed for slaughter near the end of the insurance period. The annual limit for LRP-Fed Cattle is 4,000 head per producer for each crop year (July 1 to June 30).

All insured cattle must be located in a state approved for LRP-Fed Cattle at the time insurance is purchased. The length of insurance coverage available for each specific coverage endorsement is 13, 17, 21, 26, 30, 34, 39, 43, 47 or 52 weeks.

### AVAILABILITY

LRP-Fed Cattle is available to producers with fed cattle in the following 37 states: Alabama, Arizona, Arkansas, California, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Mexico, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, West Virginia, Wisconsin and Wyoming.

### COVERAGE LEVELS, PRICES AND RATES

Beef producers may select coverage prices ranging from 70 to 100 percent of the expected ending value. At the end of the insurance period, if the actual ending value is below the coverage price, the producer will be paid an indemnity for the difference between the coverage price and actual ending value.

The LRP-Fed Cattle program's coverage prices, rates, actual ending values and per hundredweight cost of insurance may be viewed on the RMA Web site. The actual ending values are based on weighted prices reported by USDA's Agricultural Marketing Service. Actual ending values will be posted on the RMA Web site at the end of the insurance period.

### ABOUT THE APPLICATION PROCESS

- An application can be filled out at any time; however, insurance does not attach until a specific coverage endorsement is purchased.
- Coverage will not attach unless the premium is paid on the day coverage is purchased.
- Multiple specific coverage endorsements may be purchased with one application. Insurance coverage starts the day a specific coverage endorsement is purchased and the purchase is approved by RMA.
- There are funding limitations for all livestock programs; therefore, RMA tracks total policy sales against available underwriting capacity using a real-time, Web-based program. Sales will cease when underwriting capacity is reached.

## ANNUAL PREMIUM

- Coverage attaches on the effective date shown on the Specific Coverage Endorsement and your premium is due and payable to us on the date of purchase.
- Coverage will not attach if the premium is not paid in full on the date of purchase.
- Payment of premium with a check that has been returned for insufficient funds will result in coverage not attaching for the Specific Coverage Endorsement and it may result in your ineligibility for participation in any program administered under the authority of the Act.
- Premium will be based on the information you provide in a Specific Coverage Endorsement.

## INSURANCE PERIOD

**Coverage begins** on the covered livestock or livestock product on the effective date for each Specific Coverage Endorsement.

**Coverage ends** on the covered livestock or livestock product on the end date stated on each Specific Coverage Endorsement.

**The Contract Change Date** is April 30.

**The Cancellation and Termination Dates** for the policy are June 30. Portions of coverage under a Specific Coverage Endorsement may be terminated prior to that date as specified in the LRP Basic Provisions.

## CONFORMITY TO FOOD SECURITY ACT

Although your violation of a number of federal statutes, including the Act, may cause cancellation or termination of the policy or may cause the policy to become void, you should be specifically aware that your policy will be canceled if you are determined to be ineligible to receive benefits under the Act due to violation of the controlled substance provisions (title XVII of the Food Security Act of 1985 (Pub. L. 99-198)) and the regulations published at 7 CFR part 400, subpart F. Your policy will be canceled if you are determined, by the appropriate agency, to be in violation of these provisions.
