I grant the person(s) listed below the authority to sign any and all crop insurance documents on my behalf. I understand that by authorizing such persons to sign documents on my behalf I am legally bound by all terms and conditions of such documents and of the crop insurance contract. I also understand that granting the following person(s) the authority to sign on my behalf does not obligate that person(s) to the terms and conditions of my crop insurance contract. I further understand that this authorization may be revoked by me at any time upon written notice, signed and delivered to my Approved Insurance Provider.

The authority granted under this provision: a) is applicable only to the insured person and insured commodities reported on this Application and does not extend to any other policy or person; b) terminates upon (i) our receipt of a new Application for the commodities reported on this Application, (ii) voidance or termination of the policy for any reason, including dissolution, death, disappearance or judicially declared incompetence of the grantor, (iii) legal separation or divorce if the authorized person is a spouse of the insured person; and c) does **not** extend to changing plans of insurance or applying for new coverage, including but not limited to, adding a new crop to an existing policy.

It is your sole responsibility to notify any other persons that have authority to sign on your behalf, including persons authorized to act on your behalf under a power of attorney, that you are granting authority to other person(s) to sign crop insurance documents. You shall be liable for all damages that result from your authorizing more than one person to act on your behalf with respect to your multiple-peril crop insurance policy. In accepting your application and the grant of authority contained therein ProAg does not waive or vary any federal or state law. ProAg will not be held liable if the granting of authority under this Signature Authorization language is determined to be invalid under state or federal law or is superseded by any grant of authority under a valid power of attorney.

RAINFALL INDEX DISCLAIMER

By signing below, I certify that I understand the following.

1. The Rainfall Index plan of insurance is not a plan of insurance against a loss of actual production. The terms and conditions of the Rainfall Index are different from those of an Actual Production History plan of insurance. The Rainfall Index plan of insurance does not measure, capture, or utilize the actual crop production of any producer or any of the actual crop production within the grid, county or state. It is based upon grid indices, not individual farm yields.
2. Selecting index intervals when precipitation is not needed for the insured crop or when precipitation does not normally occur is not an effective use of the Rainfall Index plan of insurance.
3. The Rainfall Index is a risk management tool to insure against a decline in an index value that is based on the long-term historical average precipitation for the grid and index interval. It is best suited for producers whose production tends to follow and correlate to the historical average interpolated precipitation patterns for the grid.
4. It is possible for me to have low crop production or receive low precipitation amounts on the acreage I insure and still not receive an indemnity payment under this plan.
5. The only insurable cause of loss is having a final grid index less than my trigger grid index.
6. There are historical indices, information, and other tools on the RMA website to help me determine if the Rainfall Index is suitable for my risk management needs..

USDA MULTIPLE BENEFIT STATEMENT

I understand that obtaining multiple Federal benefits for the same loss, such as a Noninsured Crop Disaster Assistance Program (NAP) payment(s) and a Federal crop insurance indemnity, is prohibited by law. I certify that I have, or will disclose any other USDA benefit; including any NAP benefit, received for this crop. Failure to disclose the receipt of multiple Federal benefits, or failure to repay one of the multiple Federal benefits such as either the NAP benefit or the Federal crop insurance indemnity for the same crop, may result in my being disqualified from receiving Federal crop insurance benefits, as well as being ineligible for various programs administered by the Farm Service Agency for up to five (5) years.
