## RAINFALL INDEX DISCLAIMER

**By signing below, I certify that I understand the following.**

1. The Rainfall Index plan of insurance is not a plan of insurance against a loss of actual production. The terms and conditions of the Rainfall Index are different from those of an Actual Production History plan of insurance. The Rainfall Index plan of insurance does not measure, capture, or utilize the actual crop production of any producer or any of the actual crop production within the grid, county or state. It is based upon grid indices, not individual farm yields.
2. Selecting index intervals when precipitation is not needed for the insured crop or when precipitation does not normally occur is not an effective use of the Rainfall Index plan of insurance.
3. The Rainfall Index is a risk management tool to insure against a decline in an index value that is based on the long-term historical average precipitation for the grid and index interval. It is best suited for producers whose production tends to follow and correlate to the historical average interpolated precipitation patterns for the grid.
4. It is possible for me to have low crop production or receive low precipitation amounts on the acreage I insure and still not receive an indemnity payment under this plan.
5. The only insurable cause of loss is having a final grid index less than my trigger grid index.
6. There are historical indices, information, and other tools on the RMA website to help me determine if the Rainfall Index is suitable for my risk management needs..

## NATIVE SOD

I HAVE or HAVE NOT broken native sod after February 7, 2014. For any native sod acreage broken after December 20, 2018, identify the year it was broken separately for each parcel:

I understand that if I till native sod acreage, I will be assessed a reduction in yield guarantee and premium subsidy, these reductions apply in the crop year that my total native sod acreage tilled exceeds 5 acres in the county (cumulated across crops and crop years), and these reduction in benefits may be retroactively applied within a crop year.

## ANTI-REBATING CERTIFICATION - APPLICANT / INSURED STATEMENT

I certify, for the crop year indicated, that I have not directly or indirectly received, accepted, or been paid, offered, promised, or given any benefit, including money, goods, or services for which payment is usually made, rebate, discount, abatement, credit, or reduction of premium, or any other valuable consideration, as an inducement to procure insurance or in exchange for purchasing this insurance policy after it has been procured. I understand that this prohibition does not include payment of administrative fees, performance based discounts, and any other payments approved by FCIC that are authorized under sections 508(a)(9)(B) and 508(d)(3) of the Federal Crop Insurance Act (Act) (7 U.S.C. §§1508(a)(9)(B) and 1508(d)(3)). I understand that a false certification or failure to completely and accurately report any information on this form may subject me, and any person with a substantial beneficial interest in me, to sanctions, including but not limited to, criminal or civil penalties and administrative sanctions in accordance with section 515(h) of the Act (7 U.S.C. §1515(h)) and all other applicable federal statutes.

## ANTI-REBATING CERTIFICATION - AGENT STATEMENT

I certify, for the crop year indicated, that I have neither offered nor promised, directly or indirectly, any benefit, including money, goods, or services for which payment is usually made, rebate, discount, credit, reduction of premium, or any other valuable consideration to this person either as an inducement to procure insurance or in exchange for obtaining insurance after it has been procured. I understand that this prohibition does not include payment of administrative fees, performance based discounts, and any other payments approved by FCIC that are authorized under sections 508(a)(9)(B) and 508(d)(3) of the Federal Crop Insurance Act (Act) (7 U.S.C. §§1508(a)(9)(B) and 1508(d)(3)). I understand that a false certification or failure to completely and accurately report any violation may subject me, and all agencies/companies I represent, to sanctions, including but not limited to, criminal or civil penalties and administrative sanctions in accordance with section 515(h) of the Act (7 U.S.C. §1515(h)) and all other applicable federal statutes.

## USDA MULTIPLE BENEFIT STATEMENT

I understand that obtaining multiple Federal benefits for the same loss, such as a Noninsured Crop Disaster Assistance Program (NAP) payment(s) and a Federal crop insurance indemnity, is prohibited by law. I certify that I have, or will disclose any other USDA benefit; including any NAP benefit, received for this crop. Failure to disclose the receipt of multiple Federal benefits, or failure to repay one of the multiple Federal benefits such as either the NAP benefit or the Federal crop insurance indemnity for the same crop, may result in my being disqualified from receiving Federal crop insurance benefits, as well as being ineligible for various programs administered by the Farm Service Agency for up to five (5) years.
