ABOUT PROAG

ProAg is on a singular mission to meet the risk-management needs of the American farmer and rancher. As a strong and progressive company, we provide support and guidance to the agents who serve those producers, helping them expand and strengthen their businesses. Because many of us are farmers and ranchers ourselves, we have a firsthand understanding of production agriculture and the risks inherent in the profession. No organization is more knowledgeable about agricultural risk management than ProAg.

As one of the first companies in the crop insurance industry, ProAg is built on a strong foundation of experience and backed by the support and resources of a leading global parent company, Tokio Marine HCC. Tokio Marine HCC is part of Tokio Marine, a premier global company with a market cap of approximately \$33 billion (market cap as of 3/31/2021).

REASONS TO PARTNER WITH PROAG

STRONG FOUNDATION

ProAg is proud of its heritage as an agricultural risk management company and is committed to providing our agents and policyholders with excellent service and support for federal crop, crop hail and named peril crop insurance products.

ProAg employees proudly cite their roots as one of the original companies in the crop insurance industry. What started as a driven young man selling crop insurance from horseback in the 1920s has evolved into a visionary business dedicated to outstanding quality and service in agriculture-related risk management.

We are always looking for opportunities to create lasting partnerships with our customers. If you are looking for a team of committed, knowledgeable professionals to guide you through the crop insurance process, contact us today. ProAg is committed to helping you grow.

FAST AND ACCURATE CLAIMS SERVICE

ProAg delivers quality service at the field level with above-average turnaround time and minimal corrected claims. Agents and insureds can count on us to put boots in the farmer's field promptly and to settle claims with industry-leading speed and accuracy. ProAg participates in the Simplified Claims Process on qualified claims.

FINANCIAL STRENGTH

ProAg is backed by the support and resources of a leading global parent company. Headquartered in Houston, Texas, Tokio Marine HCC is a leading specialty insurance group comprised of highly entrepreneurial teams with the expertise to underwrite more than 100 classes of specialty insurance in more than 180 countries.. Tokio Marine HCC is part of Tokio Marine, a premier global company with a market cap of approximately \$33 billion (market cap as of 3/31/2021). Tokio Marine HCC has earned financial strength ratings of "AA- (Very Strong)" from Standard & Poor's Financial Services, LLC, "A++ (Superior)" from A.M. Best Company, Inc., and "AA- (Very Strong)" from Fitch Ratings.

CUSTOMER FOCUSED

When we say the customer comes first, we mean it. Listening to our customers is a top priority and drives our efforts to constantly raise our level of service. We strive to make it easy and painless for our customers to do business with us. We deliver risk management solutions that help protect farmers and ranchers as they pursue their passion. At the same time, we provide strong support for the agents who serve them.

INNOVATIVE TECHNOLOGY

We believe agricultural risk management will continue to evolve as global events impact the American farmer and rancher, and we intend to be at the forefront of those changes through new technologies, services and insurance products.

SPECIALTY CROP EXPERTISE

Our firsthand understanding of agriculture has enabled ProAg to become the leader in delivering specialty products and expert, responsive services that meet the needs of today's diverse operations.
